Case No. ^SWM-2000-608

MOTION TO MODIFY PROCEDURAL SCHEDULE

COMES NOW, Ozark Water & Wastewater Management Co., Inc. (OWWM), and respectfully states the following to the Missouri Public Service Commission (the Commission):

1. On November 27, 2000, the Commission issued its Order Adopting Procedural Schedy (Order), wherein it established dates for, among other things, the filing of prepared testimony and an evidentiary hearing in the instant case. The Commission changed the date for the evidentiary hearing on January 2, 2002. Pursuant to the Commission's Order, OWWM's prepared direct testimony is now due on March 15, 2001.

2. As a result of recent developments regarding one of the major issues in this case, to wit: possible treatment of the sewage by contract with a public entity with adequate treatment capacity, OWWM submits that a 45-day delay in the procedural schedule is warranted. Such a delay in the schedule will allow the parties to further evaluate and discuss the said recent developments, which may in turn result in the settlement of this case and thus make the filing of prepared testimony and the evidentiary hearing unnecessary. The Staff of The Missouri Public Service Commission (Staff), the Office of Public Counsel (Public Counsel), the Missouri Department of Natural Resources (MDNR) and familia Limited Partnership d/b/a English Village Mobile Home Community (English Village) do not oppose

this Motion. However, the parties are not at this point suggesting the Commission cancel the procedural schedule.

WHEREFORE, OWWM, moves the Commission to delay the procedural schedule in this case and move all of the currently scheduled dates by approximately forty-five (45) days, or as otherwise as may accommodate the Commission's schedule.

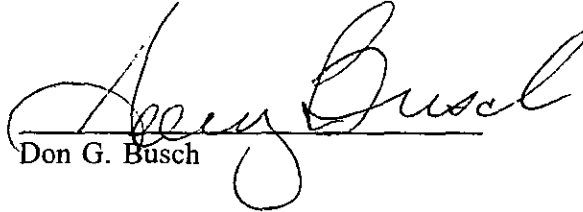

Respectfully Submitted,
