

BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of the Petition of Missouri-)	
American Water Company for Approval)	<u>Case No. WO-2008-0249</u>
to Change Its Infrastructure System)	YW-2008-0632
Replacement Surcharge (ISRS).)	

MOTION FOR EXPEDITED TREATMENT

COMES NOW Missouri-American Water Company (MAWC), and, in accordance with Missouri Public Service Commission (Commission) Rule 4 CSR 240-2.080(16), moves the Commission for expedited treatment of MAWC's tariff sheet, filed on April 21, 2008:

1. On April 17, 2008 (effective April 27, 2008), the Commission issued its Order Approving An Adjusted Infrastructure System Replacement Surcharge.

2. On April 21, 2008 (effective April 27, 2008), the Commission issued a Notice of Correction Nunc Pro Tunc, which clarified the Commission's intent by authorizing MAWC to file a tariff to impose an ISRS as set forth in the Staff Memorandum.

2. Concurrently, with the filing of this Motion, MAWC filed a tariff sheet in order to comply with the Commission Orders (P.S.C. MO. NO. 6, 6th Revised Sheet No. RT 18.0) (attached hereto as Appendix A). This tariff sheet carries a proposed effective date of May 21, 2008 (30 days), and was assigned tracking number YW-2008-0632. MAWC's EFIS filing indicated that it would seek to have the tariff sheet made effective as of April 27, 2008.

3. The ISRS process is authorized by Sections 393.1000 through 393.1006 RSMo, and Commission Rule 4 CSR 240-3.650. Its goal is to provide eligible water corporations with the ability to recover, on a timely basis, certain infrastructure replacement costs outside of a formal rate case filing via the ISRS. The Commission has authorized such an ISRS in this case

and there are no further procedures to be completed in this case. Granting this Motion will afford MAWC the timely rate relief which the Commission has found to be justified. As such, Commission action as requested herein will cause no negative effect on MAWC's customers or the public generally.

4. Accordingly, MAWC seeks the Commission's order allowing the proposed tariff sheet to go into effect on April 27, 2008, or as soon thereafter as the Commission finds to be reasonable.

5. The subject tariff sheet and this Motion have been filed as soon as possible after the issuance of the Commission's Order Approving an Infrastructure System Replacement Surcharge.

WHEREFORE, for the foregoing reasons, MAWC respectfully requests the Commission to grant MAWC's Motion for Expedited Treatment and approve MAWC's proposed tariff sheet (YW-2008-0632) effective April 27, 2008, or as soon thereafter as the Commission finds to be reasonable.

Respectfully submitted,
