NOTICE TO INTERESTED PERSONS

Issue Date: September 8, 2008

The Commission has set an on-the-record presentation in the above-referenced matters to allow the parties to explain the mechanics of the Stipulation and Agreements the parties have proposed. The proposed Agreements set out call transport requirements of Internet Protocol (VoIP) calls to or from a ported telephone number in certain small company exchanges. As VoIP providers are not parties in these matters, the scheduled presentation will also allow those providers an opportunity to explain any potentially adverse effects on them and their customers.

The on-the-record presentation is scheduled for September 24, 2008 beginning at 1:30 p.m. The presentation will be held in Room 310 of the Governor Office Building, 200 Madison Street, Jefferson City, Missouri. This presentation will be held in a building that meets accessibility standards required by the Americans with

Disabilities Act. If you need additional accommodations to participate in this presentation, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the presentation.
