**KANSAS CITY POWER & LIGHT COMPANY'S
RESPONSE TO STAFF RECOMMENDATION**

COMES NOW, Kansas City Power & Light Company ('KCP&L" or "Company")
by and through its attorney, and hereby files this response to *Staff's Recommendation to
Approve Application, with Condition.*

1. On May 30, 2012, the Commission's staff filed its recommendation in this case. The Company accepts the condition contained in the recommendation. KCP&L will record the net proceeds from the sale as salvage to its individual FERC USOA accumulated depreciation reserve accounts, recording salvage in proportion to the original cost of the plant sold from each transmission account. KCP&L can account for the sale in this manner because the assets to be sold do not comprise an "operating unit or system."

Respectfully submitted,
