4. Joint Applicants hope that the additional time to file Position Statements may give the parties additional time as well to narrow the differences in their Proposed Issues List, and adjust position statements accordingly.

5. To the best knowledge of the undersigned counsel, no party objects to this Motion, as an extension of time in which to file position statements is consistent with discussions today among the parties.

6. Filing position statements on Wednesday should give the Commission adequate time to prepare for the hearing that begins on June 18, and will not otherwise delay the procedural schedule in this case.

Respectfully submitted,

BLITZ, BARDGETT & DEUTSCH, L.C.
