MISSOURI HOUSE OF REPRESENTATIVES

Rick Francis

State Representative
District 145

Mr. Ryan Silvey
Chairman
Public Service Commission
200 Madison St.
Jefferson City, Missouri

Dear Chairman Silvey,

I am writing today to express my opposition to Ameren's application to waive in-person public meetings. I understand that Covid-19 had changed the way we do business, but it is still important to provide transparency during this time to maintain trust of the public and the landowners in parts of Perry and Cape Girardeau Counties.

I would ask that the Public Service Commission rejects the request from Ameren.

If there is anything I can do to help with this process please let me know at 573-751-5912.

Respectfully,

A handwritten signature in cursive script that reads "Rick Francis".
