STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a Session of the Public Service
Commission held at its office
in Jefferson City on the 27th
day of October, 1980.

CASE NO. SA-80-208

In the matter of the application of
Water's Edge Sewer Company for permission
and approval and for a certificate of con-
venience and necessity authorizing it to
construct, install, own, operate, control,
manage and maintain a sewer system for the
public located in an unincorporated area
in Boone County, Missouri.

ORDER GRANTING MOTION

On February 21, 1980, the Water's Edge Sewer Company filed its applica-
tion for a certificate of convenience and necessity. A hearing about such
application was held on May 30, 1980, at which permission to file briefs was
requested and granted. On October 23, 1980, the Staff of the Missouri Public
Service Commission filed a motion for extension of time to file Staff's brief,
which was due on October 22, 1980.

Since the time of that hearing, events which have occurred which cause
the Staff to believe that an agreement of the parties in this case as to all
disputed matters is imminent, and, therefore, Staff requests an extension of time
in which to file its brief. Also, the Staff intends to file a motion to reopen
the record if an agreement is reached.

Due to the above information the Commission is of the opinion that the
motion should be granted.

It is, therefore,

ORDERED: 1. That the Missouri Public Service Commission Staff be
granted an extension of time to October 29, 1980, for the filing of its brief.

ORDERED: 2. That this order shall become effective on the date hereof.

BY THE COMMISSION
