5. SIEUA seeks intervention because it believes that its members will or may be impacted by the outcome of this proceeding. As large industrial customers, SIEUA's interest in the terms and conditions of service is different from that of the general public, and will not or cannot adequately be represented by any other party. Therefore, it will aid the Commission and protect and advance the public interest that SIEUA be permitted to intervene in this proceeding to protect its interest which no other party is in a position properly to protect and adequately represent.

WHEREFORE, SIEUA prays: (a) that it be permitted to intervene herein and be made a party hereto with all rights to have notice of and participate in hearings to present evidence, cross-examine witnesses, file briefs and participate in argument, should any be had; and (b) for all other needful and proper relief appropriate in the premises.
