

**AGREEMENT FOR EXTENSION OF 150-DAY TARIFF FILING
DEADLINE FOR SMALL COMPANY RATE INCREASE REQUESTS**

KMB Utility Corporation

MO PSC Work I.D. Nos. QS-2005-0005 and QW-2005-0006

Background

KMB Utility Corporation (Company) initiated the small company rate increase requests for water and sewer service (Requests) that are the subject of the above-referenced Missouri Public Service Commission (Commission) tracking files by submitting a letter to the Secretary of the Commission. The Company submitted the letter that initiated the Requests under the provisions of Commission Rules 4 CSR 240-3.330, Sewer Utility Small Company Rate Increase Procedure and 4 CSR 240-3.635, Water Utility Small Company Rate Increase Procedure. The date that the Company's letter was received at the Commission's office was May 2, 2005¹. Under the provisions of the referenced rules, agreements regarding the disposition of the subject Requests were to be reached and tariff revisions consistent with the agreements were to be filed on or before September 29.

Reason for Extension

The Company is purchasing new billing software and needs additional time to install and test the billing system. In addition, the Company is in the process of installing a booster pump that will provide the required minimum water pressure for several customers. The Staff will require time to verify the completion of these two projects, verify the cost, adjust Staff's audit findings to include these items in the current case and to discuss these changes with the Company, and to reach agreements with the Company (and possibly the Office of the Public Counsel) regarding the disposition of the Company's Requests.

Agreement for Extension

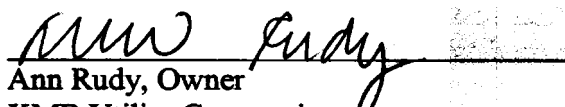

Based on the above, the Company and the Staff agree that the date by which agreements regarding the disposition of the Company's Requests are to be reached and the requisite tariff filings are to be made should be extended to November 14.
