MOTION TO STRIKE PARAGRAPH 11 OF COMPLAINT

In an attempt to simplify the contested issues in this case, Complainants hereby respectfully request leave of the Commission to strike paragraph 11 of their Complaint, which was filed in this case on June 22, 2010. That paragraph in general dealt with a possible motive for the CLS land agents to inform landowners that Grain Belt was no longer involved with the proposed transmission project.

WHEREFORE, Complainants respectfully ask that paragraph 11 of their Complaint in this case be deemed stricken.

Respectfully submitted
