**KANSAS CITY POWER & LIGHT COMPANY’S
NOTICE REGARDING MAY 1, 2015 DEADLINE**

COMES NOW Kansas City Power & Light Company (“KCP&L” or “Company”) and respectfully files this Notice regarding the May 1, 2015 provision to amend the procedural schedule. On January 14, 2015 the Missouri Public Service Commission issued an *Order Granting Motion to Amend Procedural Schedule* which amended the procedural schedule to include May 1, 2015 as the last day KCP&L could request an amendment to the procedural schedule due to delays in either: 1) placing the La Cygne Environmental Project in-service, or 2) possible delays in meeting in-service criteria for that project. The Company is on target for completion of the aforementioned and sees no unforeseen delays necessitating a request of the contemplated 30-day or 60-day extension of the schedule. Therefore, those additional dates held on the Commission calendar can be released.

Respectfully submitted,
