COMES NOW the Office of the Public Counsel (“OPC” of “Public Counsel”) and requests a procedural conference, stating:

1. On June 29, 2015, Union Electric Company d/b/a Ameren Missouri filed an application for a Certificate of Public Convenience and Necessity related to solar generation facilities in Montgomery County, Missouri. On June 30, 2015 the Commission issued an order establishing July 28, 2015 as the intervention deadline.

At a prehearing conference, parties may consider procedural and substantive matters which may aid in the disposition of the issues. Commission Rule 4 CSR 240-2.090(6).

WHEREFORE Public Counsel requests that the Commission convene a prehearing conference for the purpose of developing a proposed procedural schedule in this case.

Respectfully,
