## **MOTION TO MODIFY PROCEDURAL SCHEDULE**

COME NOW Sprint Nextel Corporation ("Sprint") and hereby requests that the Missouri Public Services Commission modify the Procedural Schedule in the aforementioned case because the Stipulation and Agreement that has been filed in this matter is now uncontested. In Support of its Motion to Modify Procedural Schedule, Sprint states as follows:

- 1. A Stipulation and Agreement was filed in this case on December 27, 2005, between Sprint Nextel ("Sprint"), the Staff of the Missouri Public Service Commission and the Office of Public Counsel, which fully resolved all issues presented in this case between these parties.
- 2. On January 3, 2006, the Communications Workers of America ("CWA") filed a timely objection to the Stipulation and Agreement; however, on January 24, 2006, CWA filed a withdrawal of its objections. As such, the Stipulation and Agreement can be treated as unanimous per Commission rule 4 CSR 240-2.115(2)(C).
- 3. Since no other party is objecting to the Stipulation and Agreement and the CWA has requested to withdraw from the case, Sprint requests the Commission cancel the hearing in this case and the remaining procedural schedule premised on a contested case.

  However, if the Commission wishes for the parties to present the Stipulation and Agreement and to answer any questions regarding the agreement. Sprint

proposes to hold such a presentation on February 16, 2006, unless an earlier time can be found on the Commission's calendar. Sprint would prefer an earlier date to present the Stipulation and Agreement to the Commission, if possible, but understands the Commission's limited availability.

4. The Staff of the Missouri Public Service Commission, the Office of Public Counsel and the Communications Workers of America concur with this request.

WHEREFORE Sprint respectfully request the Commission grant Sprint's Motion to Modify the Procedural Schedule.
