RE: Case No. AO-87-48
Investigation of Revenue Effects of Tax Reform Act of 1986

Dear Secretary Hubbs:

We have been advised of the opening of the above docket to consider the possible revenue effects upon Missouri utilities resulting from the adoption of the Tax Reform Act of 1986. We have also received a copy of the Commission's Order of November 3, 1986 but note therein that no provision is made for timely interventions.

Please be advised that several clients that I represent have a continuing interest in the revenue levels of several Missouri utilities including, but not limited to, Kansas City Power & Light Company, Kansas Power & Light/Gas Service Company and Empire District Electric Company. Would you please add my name and that of Donald Johnstone at the Drazen Brubaker firm in St. Louis, P.O. Box 12710, St. Louis, Missouri 63141 as parties to receive copies of future pleadings and orders in this case pending preparation of intervention petitions.

Thank you for your attention to this request. Please feel free to call me if there are any questions.

Respectfully yours,

Stuart W. Conrad
