Service Commission**

**Re: STS Annual Report for 2002 for Kansas City Executive Suites, Inc.**

Dear Sirs:

Enclosed please find the STS Annual Report for 2002 for Kansas City Executive Suites, Inc. (KCES). KCES was forced to cease all business operations on July 31, 2002. It had been operating in the red for quite some time and all cash reserves were expended. It has since been administratively dissolved by the office of the Secretary of State of Missouri. The few tenants who were still with KCES at that time that it ceased operation were all successfully switched to other telephone services.

Apparently, my co-owner in the company, Mr. Richard Conway, who had been preparing the STS Annual Report for the last several years, neglected to file it for 2002. I just recently became aware of this oversight through my attorney, Mr. Norris Greer. When the Commission filed a complaint (Case No. TC-2004-0408), for failure to file the report, they contacted Mr. Greer who then contacted me and Mr. Conway. I immediately contacted the Associate General Counsel assigned to the case, Mr. Bruce Bates. He recommended that I complete and file the STS Annual Report for 2002. Through our attorney, I asked Mr. Conway to prepare and file the report with the Commission, as he had done for the last several years. He communicated back through our attorney that he was not going to prepare or file the report. I have prepared the enclosed report to the best of my ability, based upon the records that I have from the business. Please let me know if there is anything else that I can do to comply with the regulations and procedures of the Commission. My address and phone number are in the report.

Thank you in advance for your understanding and attention to this matter.

Sincerely,

James R. Ward

MO-1120S

9. Missouri Taxpayer ID:

152-02-933

\* Missouri Revised Statutes §386.020(53)

(53) "Telecommunications service", the transmission of information by wire, radio, optical cable, electronic impulses, or other similar means. As used in this definition, "information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols. Telecommunications service does not include:

(a) The rent, sale, lease, or exchange for other value received of customer premises equipment except for customer premises equipment owned by a telephone company certificated or otherwise authorized to provide telephone service prior to September 28, 1987, and provided under tariff or in inventory on January 1, 1983, which must be detariffed no later than December 31, 1987, and thereafter the provision of which shall not be a telecommunications service, and except for customer premises equipment owned or provided by a telecommunications company and used for answering 911 or emergency calls;

(b) Answering services and paging services;

(c) The offering of radio communication services and facilities when such services and facilities are provided under a license granted by the Federal Communications Commission under the commercial mobile radio services rules and regulations;

(d) Services provided by a hospital, hotel, motel, or other similar business whose principal service is the provision of temporary lodging through the owning or operating of message switching or billing equipment solely for the purpose of providing at a charge telecommunications services to its temporary patients or guests;

(e) Services provided by a private telecommunications system;

(f) Cable television service;

(g) The installation and maintenance of inside wire within a customer's premises;

(h) Electronic publishing services; or

(i) Services provided pursuant to a broadcast radio or television license issued by the Federal Communications Commission;
