RE: Request Commission Approval of Tariff Sheet No. 34 through 34Q Net Metering Interconnection Agreement and Tariff Sheet No 40 through 40B Net Metering For Renewable Fuel Sources.

Dear Secretary:

Kansas City Power & Light Company ("KCPL" or "Company") seeks approval from the Missouri Public Service Commission of the enclosed Net Metering Interconnection Agreement Schedule NM and Net Metering For Renewable Fuel Sources Schedule NMRF. The revised tariffs are combining Schedules NM and NMRF to incorporate recent changes to the Commission's Net Metering Rules and to comply with the revised regulation and File No. EE-2013-0125.

Thank you for your consideration of this revised tariff. Please contact me directly at (816) 556-2705 or lisa.casteel@kcpl.com if you require any additional information.

Sincerely,

A handwritten signature in blue ink that reads "Lisa Casteel".
