

NOTICE RE: LOCAL PUBLIC HEARING

June 19, 2009

NOTICE OF LOCAL PUBLIC HEARING REGARDING PROPOSED RATE INCREASE

Based upon a request by the Office of the Public Counsel (OPC), a state agency responsible for representing the interests of consumers before the Missouri Public Service Commission (Commission), the Commission will be holding a local public hearing regarding proposed changes to the customer rates and charges of Oakbrier Water Company (Company). The purpose of this local public hearing is to provide customers the opportunity to comment on the proposed changes to the Company's rates and charges, and to bring recent service-related problems to the Commission's attention.

The local public hearing will be held July 1, 2009 at Room 203, 200 E.K. Porter Building, Three Rivers Community College, 2080 Three Rivers Blvd., Poplar Bluff, MO. The night's activities will begin with an informal question-and-answer session starting at 5:30 p.m. – with the local public hearing starting at 6:00 p.m. The facility at which this local public hearing is being held meets the accessibility standards required by the Americans With Disabilities Act. Any person that needs additional accommodations to participate in the local public hearing should call the Commission's Hotline at 1-800-392-4211 (voice), or Relay Missouri at 711, no later than the end of business on June 30th. Also, please note that the Commission will conduct this local public hearing through an interactive video-conference link with the Commission's office in Jefferson City, and that the Commissioners will take part in the hearing via the video-conference link.

As the Company notified you by a letter dated May 5, 2009, the Company has entered into an agreement with the Commission Staff to implement new rates for its water services, to reflect a change in the design of its customer rates, to implement certain new and revised service charges and to implement a revised charge for service connections. Set out at the end of this notice is a table that summarizes the proposed revisions to the Company's rates and charges, and that includes a monthly bill comparison for a residential customer using 6,000 gallons of water.

Any customer that has comments about the proposed revisions to the Company's rates and charges, or that has comments regarding recent service-related problems should contact the Commission Staff and/or the OPC *no later than the end of business on June 30th*. To do so, please use the telephone numbers, fax numbers or e-mail addresses shown below. You may also submit comments via the Commission's Website by following the instructions in the following paragraph. Regardless of how you submit your comments, please include a reference to Case No. WR-2009-0229
