**Re: Evergy Missouri Metro and Evergy Missouri West Compliance Tariffs
(Docket Nos. ER-2022-0129 / 0130)**

Dear Secretary:

Evergy Metro, Inc. d/b/a Evergy Missouri Metro (“EMM”) and Evergy Missouri West, Inc. d/b/a Evergy Missouri West (“EMW”) (collectively “Evergy” or the “Company”) filed compliance tariffs (“Compliance Tariffs”) in their respective above-referenced dockets pursuant to the Missouri Public Service Commission’s (“Commission”) *Amended Report and Order* (“Amended Report and Order”) issued on December 8, 2022.

The tracking nos. for the Compliance Tariffs were originally filed on December 2, 2022 and are as follows:

- YE-2023-0103 (EMM Book 2)
- YE-2023-0104 (EMM Book 7)
- YE-2023-0105 (EMW Book 1)

All of the Compliance Tariffs have an effective date of January 1, 2023. Pursuant to ongoing discussions with and review by Staff, various substitutes were filed on: December 15, 2022; December 18, 2022; December 20, 2022; December 21, 2022; December 22, 2022, and December 23, 2022.

On December 19, 2022, Staff filed its *Motion for Extension of Time* (“Motion”) requesting that the Commission extend the deadline for Staff’s recommendation on the Compliance Tariffs from December 19, 2022 to December 27, 2022. The Commission approved Staff’s Motion on December 20, 2022.

Pursuant to ongoing discussions with Staff, the Company requests that the Commission extend the currently requested effective date from January 1, 2023 to January 10, 2023. Doing so will allow the Commission to issue a tariff approval order with a 10-day effective date.
