Missouri Public Service Commission

In the Matter of	Laclede Gas)			
Company's Tariff	to Revise)	Case	No.	GR-99-315
Natural Gas Rate	Schedules.			

MOTION TO ESTABLISH PROCEDURAL SCHEDULE

COMES NOW Laclede Gas Company ("Laclede" or "Company") and for its Motion to Establish Procedural Schedule in the above referenced case states as follows:

- On January 26, 1999, Laclede filed revised tariff sheets in which it proposed a general increase in its rates for utility service.
- 2. On February 9, 1999, the Commission issued its Suspension Order and Notice in which it suspended the Proposed Tariff Sheets and scheduled evidentiary hearings in the above referenced case beginning August 9, 1999 and extending through August 13, 1999.
- 3. On February 25, 1999, the Commission issued its Order Directing Filing of Testimony, in which it ordered the Company to file its direct testimony and schedules, together with its true-up and test year recommendations on or before March 11, 1999. In the same Order, the Commission also directed the Commission Staff and the Office of the Public Counsel, as well as any intervenors, to file their test year and true-up recommendations on or before April 1, 1999.
- 4. In order to facilitate the establishment of the remaining procedural dates in this proceeding, Laclede has developed a proposed procedural schedule that is based upon

and fully accommodates the evidentiary hearing dates previously adopted by the Commission in its February 9, 1999 Order in this case. Specifically, Laclede proposes that the following procedural schedule be adopted:

Staff, Public Counsel, and Intervenors File Direct Testimony and Schedules on Revenue Requirement	6/03/99
Staff, Public Counsel, and Intervenors File Direct Testimony and Schedules on Rate Design	6/10/99
Prehearing Conference	6/21/99 through 6/25/99
All Parties File Rebuttal Testimony and Schedules	7/15/99
All Parties File Surrebuttal Testimony and Schedules	7/28/99
Hearing Memorandum	8/02/99

- 5. Laclede would note that in developing this proposed schedule it has attempted to provide filing intervals between the evidentiary hearing scheduled in this case and the preceding procedural dates that are consistent with those filing intervals adopted by the Commission in previous rate case proceedings involving Laclede. Laclede accordingly believes its proposed schedule is reasonable and should be adopted.
- 6. Laclede has contacted Counsel for the other existing or prospective parties in this case and has been

advised that no existing or prospective party, other than the Commission Staff, objects to the procedural schedule set forth above.

WHEREFORE, for the foregoing reasons, Laclede Gas Company respectfully requests that the Commission adopt the procedural schedule set forth herein.

Respectfully submitted,

Michael C. Pendergast #31763 Associate General Counsel
