RE: Laclede Gas Company
Case No. GR-99-315

Dear Mr. Roberts:

At the request of the Commission Staff, I have enclosed for filing herewith a new set of revised tariff sheets that are in compliance with the Commission's Report and Order dated December 14, 1999, as subsequently clarified by Commission Order dated December 21, 1999. At the same time, the Company hereby withdraws all of the tariff sheets it filed on December 16, 1999 and December 17, 1999. Such withdrawn sheets were assigned either File No. 200000560 or File No. 200000565.

All of the enclosed tariff sheets have an issue date of December 21, 1999, and a thirty-day effective date, in compliance with the December 14 Order, of January 22, 2000. However, Laclede continues to request that such revised tariff sheets be placed in effect in accordance with the December 16 Motion filed by Laclede in the above-referenced case. Laclede appreciates the efforts of the Commission and Commission Staff to process these tariffs in an expeditious manner.

Enclosed is a listing and designation of the revised sheets and the sheets to be cancelled.
