ORDER GRANTING MOTION TO FILE ANSWER OUT OF TIME

Issue Date: April 7, 2009

Effective Date: April 7, 2009

Respondents' answer to the Complainant's First Amended Complaint was due on April 6, 2009. On April 3, 2009, Respondents, by counsel, filed a Motion to File Answer Out of Time. Counsel related that the answer has been prepared but is stored on the law firm's computer system, which suffered a total loss of the power source for the system's server on April 2, 2009. No replacement had been found in the St. Louis area and it appeared the problem would not be repaired before the filing deadline. Counsel therefore requested leave to file the answer out of time. Counsel further stated that Complainant's counsel has no objection to this request.

The Commission finds good cause to grant Respondents' motion.

THE COMMISSION ORDERS THAT:

1. Respondents' Motion to File Answer Out of Time is granted.
2. Respondents shall file their answer to the First Amended Complaint no later than April 16, 2009.
3. This order is effective upon issuance.
