

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In The Matter of Embarq Missouri, Inc.)
Application for Competitive Classification)
Under Section 392.245.5 RSMo. (2005))

Case No. TO-2008-0147

MOTION TO AMEND APPLICATION

COMES NOW Embarq Missouri, Inc. (“Embarq”), pursuant to 4 CSR 240-2.080(20), and respectfully seeks leave from the Missouri Public Service Commission to file *instanter* the attached Second Amended Application for Competitive Classification with accompanying attachment. The Second Amended Application varies from the Amended Application as follows:

1. All references to the Henrietta, Lone Jack, Odessa and Pleasant Hill exchanges are deleted from the Second Amended Application. Those references appeared on pages 1, 2 and 3 of the original Application.
2. All references to the Henrietta, Lone Jack, Odessa and Pleasant Hill exchanges are deleted from the proposed tariff attached to the Second Amended Application.
3. Any references to the “Amended Application” are pervasively amended to refer to the “Second Amended Application.”
4. The effect of deleting the Henrietta, Lone Jack, Odessa and Pleasant Hill exchanges from the Second Amended Application is to narrow the scope of the relief sought by Embarq and to reduce the number of issues that must be evaluated and decided by the Commission. Similarly, the parties will have fewer issues to evaluate and address.

5. No party, intervenor or consumer in the State of Missouri can be prejudiced by allowing Embark to amend its Application and accompanying tariff as requested.

6. This amendment should not delay the processing and ultimate decision on Embark's Second Amended Application. It should still be approved within 30 days of the original filing. That is because the public, the Commission, all parties and intervenors have received timely notice of all relief sought by Embark. The proposed amendment reduces the scope of the request for relief and asks for nothing additional at this time.

WHEREFORE, Embark respectfully requests that its Motion to Amend Application be granted and that the attached Second Amended Application, and the accompanying revised tariff be filed *instanter*. The schedule for the proceeding should not be revised should the Motion to Amend be granted.

Respectfully submitted,

EMBARQ MISSOURI, INC.
