OF THE STATE OF MISSOURI**

In the Matter of the Tariff Filings of Union)
Electric Company d/b/a Ameren Missouri, to) File No. ER-2022-0337
Increase Its Revenues for Retail Electric Service.)

**MOTION TO MODIFY PROCEDURAL SCHEDULE
AND MOTION FOR EXPEDITED TREATMENT**

COMES NOW Union Electric Company d/b/a Ameren Missouri, on behalf of the Staff of the Missouri Public Service Commission; Office of the Public Counsel; Missouri Industrial Energy Consumers; Midwest Energy Consumers Group; Consumers Council of Missouri; and Sierra Club (“Parties”), and for their *Motion to Modify Procedural Schedule* states:

1. On March 29, 2023, the Parties engaged in settlement discussions. As a result of those discussions, a settlement in principle has been reached on all issues that would affect the revenue requirement in this case, leaving only Issue 4 (including all subparts), Issue 24.B (Issue 24.A is resolved), and Issue 30 reserved for hearing.¹ The Parties are working towards finalizing a stipulation and agreement that will memorialize the above-referenced settlement in principle.

2. In anticipation of settlement, the Parties have authorized Ameren Missouri’s counsel to file this motion requesting the Commission modify the procedural schedule ordered by it on September 28, 2022, as follows:

- Cancel hearings from April 3, 2023 - April 7, 2023, and cancel hearings on April 10 and 11, 2023.
- Reschedule Issue 4 to begin on April 12, 2023 (a portion of April 13, 2023, could be used to finish Issue 4, if needed).
- Reschedule Issues 24.B and 30 for April 13, 2023.

¹ Issue references are to the Joint List of Issues filed by Staff on behalf of the parties on March 22, 2023.

- Reserve April 14, 2023, if necessary, to complete the reserved issues.
- Eliminate the requirement that a Reconciliation be filed on March 30, 2023, insofar as none of the reserved issues affect the revenue requirement.

3. Intervenors in the above-styled case not included in this motion have been given notice of the settlement in principle.

4. This Motion was filed as soon as it could have been under the circumstances given that the settlement in principle was just agreed upon today. Granting this Motion will benefit the Commission and the parties by conserving resources, including hearing time and expense, and avoiding unnecessary proceedings. There will be no negative effect on the Company's customers or the general public. The Parties request the Commission act on this Motion by Noon, March 30, 2023, given the current deadline for submitting the Reconciliation that is no longer necessary.

WHEREFORE, Ameren Missouri, on behalf of itself, the Staff of the Commission, Office of the Public Counsel, Missouri Industrial Energy Consumers, Midwest Energy Consumers Group, Consumers Council of Missouri, and Sierra Club requests the Commission issue an order modifying the procedural schedule in this case as requested above, and for such other and further relief as the Commission deems just in the circumstances.

Respectfully submitted,
