

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company d/b/a Ameren)
Missouri's Filing to Implement Regulatory Changes) File No. EO-2012-0142
Furtherance of Energy Efficiency as allowed by MEEIA.)

MOTION TO POSTPONE ON-THE-RECORD PRESENTATION

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Company" or "Ameren Missouri"), by and through counsel, on behalf of itself and the other parties to this case,¹ and hereby requests that the Commission postpone the on-the-record presentation scheduled for June 4, 2012. As reasons for this request, the Company states as follows:

1. Late in the evening on Wednesday, May 23, 2012, the parties agreed upon the basic terms of a settlement of all of the issues in this case.² The Commission was informed of this settlement on May 24, 2012. At that time, the parties had set a tentative goal of finalizing a Stipulation and Agreement reflecting the settlement by today, May 31, 2012 and indicated that if the Stipulation and Agreement was filed by that date that it might be appropriate for the Commission to schedule an on-the-record presentation on June 4, 2012, which had been reserved as a possible fourth hearing date.

2. On May 25, 2012, the Commission issued an Order scheduling an on-the-record presentation at 10:00 a.m. on June, 4, 2012.

3. The parties are diligently working on a Stipulation and Agreement, but do not expect it to be finalized this week. The delay in finalizing the Stipulation and Agreement stems both from the intervening Memorial Day holiday and from the need to be sure that the details of

¹

² All parties participated in the settlement discussions and reached the agreement, with the exception of Laclede Gas Company. The Company had previously entered into a non-unanimous stipulation with Laclede Gas Company resolving all of the issues Laclede Gas Company had raised.

the settlement are fully and accurately outlined. As was apparent from the List of Issues filed by the parties, there were many issues that had to be agreed upon, and the details of the parties' resolution of those many issues must be spelled out in the Stipulation and Agreement. In order to do that properly requires careful drafting and review by the parties' attorneys and also by the parties' technical experts. The parties currently anticipate completing this process sometime during the week of June 4, 2012.

WHEREFORE, the Company, on behalf of itself and the other parties, hereby requests that the Commission postpone the on-the-record presentation and that it be reset at a later date after the filing of the Stipulation and Agreement.

Respectfully submitted,

James B. Lowery
