Re: MEG Participation in Case No. EW-2004-0596

Dear Mr. Roberts:

Please include Robert C. Johnson and me on the Commission's mailing/service list in the above-referenced case as counsel for the Missouri Energy Group. Bob's email address is bjohnson@stolarlaw.com and his direct dial number is 314 641-5124.

It is my understanding, pursuant to your order of August 23, 2004 entitled "Notice of Participants," that a formal intervention is not required. If this understanding is incorrect, please advise.

Thank you for your assistance in this matter.

Yours truly,

Lisa C. Langeneckert
