

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of)	
Timber Creek Sewer Company for a)	<u>File No. SA-2010-0063</u>
Certificate of Convenience and Necessity)	

**MOTION FOR LEAVE TO SUPPLEMENT SCHEDULES ATTACHED TO
PREFILED TESTIMONY**

COMES NOW Platte County Regional Sewer District ("Sewer District"), pursuant to Commission Rule 4 CSR 240-2.130(8), and respectfully requests leave to supplement two schedules attached to its prefiled testimony submitted yesterday, February 9, 2010, in the above-referenced matter. In support of its Motion, the Sewer District respectfully states as follows:

1. In accordance with the procedural schedule previously ordered in this matter, on February 9, 2010, the Sewer District prefiled the Direct/Rebuttal Testimony of Charles W. Reineke and the Direct/Rebuttal Testimony of Michael P. Kalis. Attached to said testimony were identical schedules, designated Schedule CWR-2 and Schedule MPK-1 respectively, consisting of the Executive Summary and specific portions of the 2009 Master Plan Update of the Sewer District. The attached four (4) pages were inadvertently omitted from both schedules and, accordingly, the Sewer District requests that these pages be appended to the previously filed Schedule CWR-2 and Schedule MPK-1.

2. The Sewer District is authorized to state that neither Timber Creek Sewer Company nor the Staff of the Commission object to the specific relief requested herein.¹

¹ The Office of Public Counsel is not taking an active role in this case at this time.

In addition, as this correction is being made within twenty-four hours of the original filing, no party should be prejudiced by the Commission's approval of this request.

3. To ensure the accuracy of the Commission's files, the Sewer District is also submitting complete, corrected copies of Schedule CWR-2 and Schedule MPK-1.

WHEREFORE, Platte County Regional Sewer District respectfully requests leave to supplement and correct its prefiled testimony by submitting the attached pages and corrected copies of its Schedule CWR-2 and Schedule MPK-1, and for such other and further relief as the Commission deems proper.

Respectfully submitted,
