**MOTION TO ACCEPT LATE FILED 2001 ANNUAL REPORTS**

COME NOW MCI WorldCom Communications, Inc., Brooks Fiber Communications of Missouri, Inc., Metropolitan Fiber Systems of St. Louis, Inc., Metropolitan Fiber Systems of Kansas City, Missouri, Inc., Intermedia Communications, Inc., MCImetro Access Transmission Services, LLC, Teleconnect Long Distance Services & Systems Company, MCI WorldCom Network Services, Inc., TTI National, Inc., Touch 1 Long Distance, Inc., and BLT Technologies, Inc., and hereby request that the Commission grant their Motion to Accept Late Filed Annual Reports.

These reports are being submitted late by the companies because there was a change in personnel and the company was still in the process of gathering information and did not have all the necessary information by the April 15, 2002 filing date. The companies previously attempted to submit the reports late without an accompanying motion, because personnel misunderstood the process for obtaining an extension of time. Upon return of the reports by Staff, it was determined that further information needed to be obtained before resubmitting the reports. The late filing of these reports will not prejudice anyone.

WHEREFORE, the parties request that for the foregoing reason, the Commission issue an order accepting the late filed annual reports.

Respectfully submitted,

---
