To Whom It May Concern:

I have enclosed two documents to be reviewed and answered. I apologize it takes so long, but it takes me longer to do things because I have limited mobility. I am sending you to motions. I understand you can get the motions delivered to the appropriate people quicker than I can do it. I am not being treated very unfairly by any of the people involved in this case. I do hope that you could get the pleadings in the appropriate order and to the appropriate people. Thank you for your time and attention in this matter.

Sincerely,

Craig D Mershon
