

In the Matter of)
the Resource Plan of) File No. EO-2015-0254
Kansas City Power & Light Company)

Comes now the Natural Resources Defense Council (NRDC) and, pursuant to 4 CSR 240-2.075, applies to intervene herein and become a party for all purposes in respect to KCP&L's 2015 triennial IRP filing.

2. NRDC expects issues to arise in this case concerning MAP and RAP DSM, the effectiveness of KCP&L's DSM programs so far, the customer benefits and utility costs resulting from demand-side management and distributed renewable energy, and

possibly issues of cost recovery and rate design concerning these resources. At this point NRDC does not know what position it will take on the issues in this case.

3. NRDC has a continuing interest in the success of demand-side programs in Missouri. NRDC participated in the MEEIA rulemaking and subsequent MEEIA implementation dockets. It was also a party to the MEEIA stipulation and agreement reached with KCP&L in Case No. EO-2012-0009; and a party to KCP&L rate case ER-2012-0174 and IRP case EO-2012-0323.

4. NRDC will bring significant expertise to this proceeding. The Staff of NRDC has extensive history with the design and implementation of utility programs and policies designed to deploy energy efficiency and peak demand reduction to benefit the public. NRDC has intervened and/or provided testimony on these issues in public utility commission proceedings in many states, including Illinois, Ohio, Wisconsin, New York, Oregon, Iowa, New Jersey and California. NRDC has regularly presented testimony before the US Congress and various state legislatures related to the electric utility industry's use of energy efficiency resources, rate design, utility planning and other topics relevant to this proceeding.

5. Correspondence, communications, orders and decisions may be sent to the undersigned legal counsel.

6. NRDC has interests different from those of the general public or average ratepayer, which could be adversely affected by the decision in this case.

7. It will serve the public interest for NRDC to be allowed to intervene.

WHEREFORE, NRDC respectfully requests the Public Service Commission to

grant this application to intervene.
