November 10, 2009

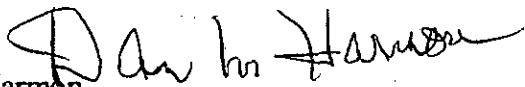

Dear Customer:

Please disregard the letter mailed to you on October 29, 2009. On October 7, 2009, the Missouri Public Service Commission (Commission) approved an increase in the annual water operating revenues of Noel Water Company, Inc. (Company), under the provisions of the Commission's small utility rate case procedure. The Commission has decided an increase of \$68,307 in the Company's annual water operating revenues is warranted, effective November 12, 2009. Set out at the end of this notice is a table that summarizes the approved revisions to the Company's rates that includes a monthly bill comparison for a residential customer using 6,000 gallons of water.

If you have questions about this notice, or about anything else with which I may be of assistance, please feel free to contact me at the telephone number listed on the top of this page.

Sincerely,

Dan M. Harmon
President
