3 **MICHAEL L. MOEHN**

4 **CASE NO. ER-2006-0240**

5  
6 **Q. Please state your name and business address.**

7 A. Michael L. Moehn, Ameren Services Company (Ameren Services), One  
8 Ameren Plaza, 1901 Chouteau Avenue, St. Louis, Missouri.

9 **Q. What is your position with Ameren Services?**

10 A. I am the Vice President of Corporate Planning, which provides support  
11 services to the Ameren operating companies, including Union Electric Company d/b/a  
12 AmerenUE (AmerenUE or Company).

13 **Q. Please describe your educational background and employment**  
14 **experience.**

15 A. I graduated from St. Louis University in 1991 with a Bachelor of Science  
16 degree in Accounting. I received my Masters in Business Administration in 2000 from  
17 Washington University. I am a licensed Certified Public Accountant in the State of Missouri  
18 and a member of the American Institute of Certified Public Accountants and the Missouri  
19 Society of Certified Public Accountants. I have also recently completed the Reactor  
20 Technology Course for Utility Executives at the Massachusetts Institute of Technology.

21 I have been with Ameren Services since 2000, first as the Assistant Controller,  
22 then in 2001 as Director of Corporate Modeling and Performance Management. In 2002, I  
23 was promoted to Vice President of Shared Services. I assumed my current position as Vice

1 President of Corporate Planning in 2004. Prior to my employment at Ameren, I was  
2 employed by Price Waterhouse LLP (now PriceWaterhouseCoopers LLP) as Senior Manager  
3 in the company's Audit and Business Advisory Services Department.

4 **Q. What is the purpose of your testimony?**

5 **A.** The purpose of my testimony is to sponsor AmerenUE's Integrated Resource  
6 Plan, which was submitted in this case on December 5, 2005 and is incorporated herein by  
7 reference. The filing consisted of 17 volumes, some portions of which have been marked as  
8 proprietary or highly confidential.

9 **Q. Do you have any additions or changes to the filing?**

10 **A.** Yes. On August 15, 2006, Staff and AmerenUE filed a Joint Stipulation and  
11 Agreement (Stipulation). In the Stipulation, AmerenUE agreed to undertake certain demand-  
12 side management and energy efficiency (referred to collectively as DSM) analyses.  
13 AmerenUE has already begun this work and has included the parties in this case  
14 (stakeholders) in this process as laid out by the Stipulation. AmerenUE has sent out a  
15 Request for Proposals (RFP) which was drafted with the assistance of participating  
16 stakeholders. After reviewing and evaluating the responsive bids, the stakeholders and  
17 AmerenUE narrowed the field to three bids and brought each of those bidders into St. Louis  
18 for a face-to-face interview. After the interviews were completed, a preferred bid was  
19 selected. This selection was agreed upon by all participating stakeholders. AmerenUE is  
20 excited by both the decision reached by the group and the progress made under the  
21 Stipulation to date. AmerenUE would ask the Commission to consider the terms of the  
22 Stipulation as modifying and, accordingly, as a part of its December 5, 2005 filing.

23 **Q. Have there been any further settlement discussions among the parties?**

1           A.     Yes, productive settlement discussions continue between all parties.  
2     However, the recent ice and snow storm prevented the parties from further pursuing these  
3     discussions. AmerenUE now believes that a comprehensive settlement of these proceedings  
4     is possible and is continuing settlement discussions this week.

5           **Q.     Does this conclude your direct testimony?**

6           A.     Yes, it does.
