MOTION FOR EXPEDITED TREATMENT

COMES NOW Associated Natural Gas Company ("ANG"), by and through its counsel,
and for its Motion for Expedited Treatment, respectfully states as follows:

1. In a filing accompanying this Motion, ANG, the Staff of the Commission ("Staff"), the Office of the Public Counsel ("Public Counsel"), and Atmos Energy Corporation ("Atmos"), have submitted to the Commission a "Settlement Agreement and Release." That document reflects a unanimous settlement which has been achieved between the parties to the above-captioned proceedings. The parties wish the Commission to approve that Settlement

Agreement and Release as soon as possible. The settlement also involves action by the Commission involving cases which are pending in the Circuit Court of Cole County, Missouri. The earlier the action by the Commission in approving the Settlement Agreement and Release, the earlier that bill credits can be applied to ANG's former customers in Southeast Missouri under the terms of the settlement.

2. As the Settlement Agreement and Release notes, the parties have recommended that the Commission issue an order approving the Settlement Agreement and Release on or before July 31, 2001, in order to avoid further litigation expenses.

3. In accordance with 4 CSR 240-2.080(17), ANG states that the date by which the parties desire Commission action is any date on or before July 31, 2001. Earlier action by the Commission would be preferable. The harm to be avoided by such quick Commission action is the needless incurrence of expense by the Commission and ANG's counsel to prepare for and orally argue one of the subject cases in the Circuit Court of Cole County, which argument is presently set for 9 a.m. on August 1, 2001. Although the Commission and ANG have postponed this oral argument before, the Circuit Court is unwilling to postpone it further. This pleading is being filed as soon as it could have given that the Settlement Agreement and Release was only executed late yesterday afternoon.

4. Counsel for Public Counsel, Atmos and the Staff have reviewed and consented to the filing of this motion. There are no other parties involved in the referenced cases.

WHEREFORE, ANG, on behalf of Public Counsel, the Staff, and Atmos, request that the Commission expedite its consideration of the Settlement Agreement and Release and issue an order approving same on or before July 31, 2001.

Respectfully submitted,
