Case No. KA-2008-0112

NOTICE CLOSING CASE

Issue Date: December 13, 2007

On October 16, 2007, Southwestern Bell Telephone Company, d/b/a AT&T Missouri filed an application for video service authorization in several political subdivisions. On November 6, 2007, the Commission issued its Video Service Authorization. In AT&T's Application and the Commission's Video Service Authorization, the fee amount listed for the City of Kirkwood, Missouri, was five percent (5%), and the City of Twin Oaks, Missouri, was zero percent (0%).

On November 16, 2007, the Company filed a Notice of Correction indicating the fee for the City of Kirkwood should have been four and one-half percent (4.5%) rather than five percent(5%). The correct fee for the City of Twin Oaks should have been five percent (5%) rather than zero percent (0%). The fee amounts have been corrected in the Commission records.

There remains no further action in this matter. Therefore, this case may be closed.
