**KANSAS CITY POWER & LIGHT COMPANY’S  
RESPONSE TO ORDER DIRECTING RESPONSES TO APPLICATION**

COMES NOW, Kansas City Power & Light Company (“KCP&L”) and hereby responds to the Commission’s *Order Directing Notice, Adding Parties, and Directing Responses to Application*, which was issued on May 9, 2012. KCP&L states:

1. On May 7, 2012, Kaiser Farms, Inc. (“Kaiser”) submitted an application for approval to change electrical supplier at its grain bin complex near the intersection of Highway 10 and County Road 177, six miles west of Carrollton on Highway 10 Carroll County, Missouri (“the Property”) from KCP&L to Farmers Electric Cooperative (“FEC”).
2. KCP&L does not object to this transfer. Under the unique circumstances of this situation, KCP&L concurs with the request to allow FEC to serve Kaiser structures at the Property. Although the Property is within KCP&L’s service territory, constructing a three phase line to the Property site is not cost effective.

Respectfully submitted,
