Subject: Missouri Renewable Energy Standard update

At the weekly Commissioner's agenda meeting this morning, the proposed Renewable Energy Standard rulemaking was discussed. Staff has provided draft copies of the Chapter 3 and Chapter 20 rules for the Commission review. The Chapter 3 rule is the same draft and revision that was last transmitted to all of you. The Chapter 20 rule has been modified since the last revision was sent out. This new draft has alternative wording in many locations. Where alternative wording is provided, the Staff recommendation is listed first. Most of the alternative wordings have come directly from comments received by Staff.

The Commissioners will be reviewing these documents and will possibly have additional discussions during future agenda meetings.

I have attached copies of the Chapter 3 and Chapter 20 draft rules submitted to the Commissioners.

Please contact me if you have any questions or recommendations.
