OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company)
d/b/a AmerenUE's Amendment of its)
Natural Gas Transportation Service Tariff,)
Schedule No. 2, Schedule of Rates for Gas)
Service, 7th Revised Sheet No. 15.)

Case No. _____

MOTION FOR EXPEDITED TREATMENT

COMES NOW Union Electric Company d/b/a AmerenUE (AmerenUE or Company) and
for its Motion for Expedited Treatment, states as follows:

1. Concurrent with this filing, AmerenUE is filing tariff sheets to amend the Daily Balancing and Cash-Out of Customer-Owned Gas provisions of its Natural Gas Transportation Service tariffs.

2. On January 27, 2006, AmerenUE filed to revise the cash-out provisions of its transportation service tariffs. These revisions became effective on March 1, 2006.

3. The key component of the earlier revision was to move from a monthly commodity price index to a daily commodity price index as the basis for imbalance charges for transportation customers.

4. However, because schools who participate in an aggregation service are cashed-out on a monthly basis rather than on a daily basis, this revision was inappropriate for these entities. This revision only applies to schools using the aggregation service.

5. This proposed change does not result in any additional margin revenue to AmerenUE.

6. AmerenUE filed this revision as soon as is practical after discovery of the inconsistency in the tariff and requests expedited treatment of this tariff, with an effective date of March 17, 2006.

WHEREFORE, for the reasons stated herein, AmerenUE respectfully requests that the Commission permit the tariff sheets filed herewith to take effect on March 17, 2006.

Respectfully submitted,

UNION ELECTRIC COMPANY,
d/b/a AmerenUE
