**APPLICATION OF KANSAS CITY POWER & LIGHT COMPANY
FOR LEAVE TO INTERVENE**

Pursuant to 4 CSR 240-2.075 and the Order Directing Notice and Setting Deadline for Intervention issued by the Missouri Public Service Commission (“Commission”) on August 28, 2007 in the above-captioned proceeding, Kansas City Power & Light Company (“KCPL”) hereby applies to intervene and to become a party to the above-captioned case. In support thereof, KCPL states as follows:

1. KCPL is a Missouri corporation, in good standing in all respects, with its principal office and place of business located at 1201 Walnut, Kansas City, Missouri 64106. KCPL is engaged in the generation, transmission, distribution, and sale of electric energy and power in those areas in Missouri certificated to it by the Missouri Public Service Commission (“Commission”), including the City of Kansas City, Missouri, as well as in areas of eastern Kansas.

2. KCPL is an “electrical corporation” and “public utility” as those terms are defined in Mo. Rev. Stat. § 386.020 (2000), and as such, is subject to the jurisdiction of the Commission as provided by law. KCPL provides electric service to approximately 230,000 residential customers and approximately 30,100 commercial and industrial customers in Missouri. KCPL's Certificate of Good Standing was filed with the Commission in Case No. EM-2000-464 and is incorporated herein by reference.

3. KCPL has no pending or final judgments or decisions against it from state or federal regulatory agencies or courts which involve customer service occurring within the three (3) years immediately preceding the filing of this application, except as listed in Exhibit A. KCPL has a general rate case pending before the Commission in Case No. ER-2007-0291. KCPL is also a party to the joint application that was submitted to the Commission in Case No. EM-2007-0374, concerning the acquisition of Aquila, Inc. ("Aquila") by KCPL's parent company, Great Plains Energy Incorporated. KCPL has no overdue Commission annual reports or assessment fees.

5. On August 20, 2007, Aquila, d/b/a/ Aquila Networks-MPS and Aquila Networks-L&P, filed an application with the Commission for authority to transfer operational control of certain transmission assets to the Midwest Independent Transmission System Operator, Inc. ("MISO"). The Commission issued an Order Directing Notice and Setting Deadline for Intervention on August 28, 2007, wherein, among other things, the Commission ordered that any interested party seeking to intervene do so by September 17, 2007.

6. As a transmission owning public utility with several interconnections with Aquila's system, KCPL will be impacted by the Commission's resolution of Aquila's application. Consequently, KCPL's interest in this proceeding is different from that of the

general public and cannot be represented by any other party to these proceedings. Actions taken by the Commission in this proceeding may substantially affect KCPL's interests.

WHEREFORE, KCPL respectfully requests that the Commission issue an order authorizing it to intervene in the above-captioned matter.

Respectfully submitted,
