<b>In the Matter of</b>	)	
<b>Summit Natural Gas of Missouri Inc.'s</b>	)	<b><u>File No. GR-2014-0086</u></b>
<b>Filing of Revised Tariffs to Increase Its</b>	)	Tracking No. YG-2014-0285
<b>Annual Revenues for Natural Gas Service</b>	)	

**MISSOURI SCHOOL BOARDS' ASSOCIATION**  
**RESPONSE TO RECONCILIATION ORDER SETTING DATE FOR FILING**

COMES NOW the Missouri School Boards' Association of the Missouri Public Service Commission, by and through counsel, and pursuant to the Commission's order dated October 22<sup>nd</sup> hereby submits this response, stating:

1. The Commission should order the Staff to produce a similar reconciliation for non-residential school customers but using a current gas commodity market rate of \$3.75 per million Btus, rather than the PGA which is NOT applicable to transporting school customers.
2. An updated reconciliation for schools would provide comparable data to that provided by MSBA's Exhibit 404 which showed an increase for schools as high as 59.23 % for Lebanon schools without considering the two additional increases due to: (a) loss of the flex discount and (b) the new "Cashout" provision.
3. In addition to the updated reconciliation percentage increases, schools will see an additional 10% increase for loss of flex discount and an additional increase of approximately 20% due to the new cashout provision, which in aggregate was as high as 97.5% for Lebanon schools under then market prices used for Exhibit 404.
4. MSBA requests that the Commission give strong consideration to arguments of MSBA and OPC to address the Rate Shock issue.

Respectively Submitted,

---
