In the Matter of a Working Case to Consider a)	
Proposed Residential Customer Disconnection)	File No. AW-2020-0148
Data Reporting Rule)	

RESPONSE OF UNION ELECTRIC COMPANY
d/b/a AMEREN MISSOURI

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri"), and submits the following response:

1. On December 7, 2021, the Office of the Public Counsel ("OPC") filed a motion, asking the Missouri Public Service Commission ("Commission") to schedule a second workshop in this case on January 25, 2022.

2. On December 8, 2021, the Commission issued an order allowing responses to OPC's request to be filed no later than December 10, 2021.

3. Ameren Missouri interprets this order as allowing it to respond to the need for a second workshop and on the date but that is not asking for comments on the proposed rule OPC included with its filing. Ameren Missouri will be ready to provide comments on the proposed rule by the workshop but has not had time to conduct such a review since it was filed on December 7, 2021.

4. Ameren Missouri has no objection to a second workshop, but it does have scheduling conflicts in the month of January. Several individuals involved in this workshop have a conflict on the suggested date of January 25, 2022. There are also conflicts with January 3, 2022, through January 10, 2022, January 18, 2022, and on January 20, 2022. Ameren Missouri respectfully requests the Commission, if possible, to avoid those dates as well.

WHEREFORE, the undersigned respectfully requests that the Commission schedule a workshop and avoid the dates set forth above.

Respectfully submitted,

/s/ Wendy K Tatro
