OF THE STATE OF MISSOURI**

**In the Matter of the 2011 Resource Plan)
Of Kansas City Power & Light Company) File No. EE-2011-0032**

**SECOND REPORT OF
KANSAS CITY POWER & LIGHT COMPANY**

COMES NOW Kansas City Power & Light Company (“KCP&L”), pursuant to the Commission’s *Order Directing Kansas City Power & Light Company To File A Report* issued in this matter on October 18, 2010 (“*Order*”), and respectfully submits its Second Report as follows:

1. As referenced in the Commission’s *Order*, an additional meeting among KCP&L and interested stakeholders was held on October 15, 2010, to continue discussions regarding KCP&L’s proposal to delay the filing of its next IRP submission from November 5, 2011, to April 1, 2012.

2. While all of the stakeholder meetings have been productive and it still appears that a consensus position among KCP&L and the stakeholders regarding the relief requested herein may be achieved, KCP&L reports that discussions continue and an additional meeting has been scheduled for October 27, 2010. Again, KCP&L respectfully requests that it be allowed to submit a subsequent Report in this matter after the October 27, 2010 meeting. As set forth in the Commission’s *Order*, any other participant in the meetings would be permitted to file a separate report at the same time.

WHEREFORE, Kansas City Power & Light Company respectfully submits its Second Report in this matter, and prays that the Commission grant its request to submit a subsequent report after its next meeting currently scheduled for October 27, 2010.

Respectfully submitted,
