Re: Union Electric Company d/b/a Ameren Missouri (Ameren Missouri), File No. ER-2021-0240

Dear Mr. Woodruff:

Accompanying this letter for filing via the Commission's Electronic Filing and Information System (EFIS) are revised tariff sheets per the Commission's February 2, 2022 Order, which are designed to increase Ameren Missouri's gross annual electric revenues by approximately \$220 million, exclusive of applicable gross receipts, sales, franchise or occupational fees or taxes. The tariffs also rebase net energy costs to reflect changes in the net energy costs currently included in base rates, which absent the filing of this rate increase request, would have been included in periodic adjustments under Ameren Missouri's existing fuel adjustment clause (Rider FAC).

The accompanying tariff sheets are transmitted to you for filing as a revision of Union Electric Company's Schedule No. 6, Schedule of Rates for Electric Service in accordance with the Commission's orders approving the stipulations filed in this docket and the Commission's February 2, 2022 Order:
