Re: In the Matter of the Application of South County Sewer  
Company, Case No. SA-79-14

Dear Mr. Phaby:

The above-referenced matter involves the application of South County Sewer Company to extend its certificated area in an unincorporated part of St. Louis County, Missouri. Pursuant to a request of the Company, the Commission on September 11, 1978 continued a hearing in this matter to a date to be fixed. The request for continuance was requested because of pending sale negotiations involving this utility company. Those sale negotiations are no closer to completion than they were in September, and it is necessary for the Company to request at this time that this matter be reset for hearing at the Commission's earliest convenience.

Would you please see that this is brought to the attention of the appropriate staff personnel.

Sincerely,

*W. R. England III*
