

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

**In the Matter of the 2011 Resource Plan)
Of Kansas City Power & Light Company) File No. EE-2011-0032**

**THIRD REPORT OF
KANSAS CITY POWER & LIGHT COMPANY**

COMES NOW Kansas City Power & Light Company (“KCP&L”), pursuant to the Commission’s *Order Directing Kansas City Power & Light Company To File A Third Report* issued in this matter on October 22, 2010 (“*Order*”), and respectfully submits its Third Report as follows:

1. As referenced in the Commission’s *Order*, an additional meeting among KCP&L and interested stakeholders was held on October 27, 2010, to continue discussions regarding KCP&L’s proposal to delay the filing of its next IRP submission from November 5, 2011, to April 1, 2012. The parties continued discussions in a subsequent meeting held on November 3, 2010.

2. While KCP&L previously reported that it appeared a consensus position among KCP&L and the stakeholders regarding the relief requested herein might be achieved, KCP&L reports that positions have changed and it no longer appears that a consensus proposal for the Commission’s consideration will be achieved. Accordingly, KCP&L respectfully requests that it be allowed time to reassess its position regarding this matter, and that it be permitted to file another report in two weeks. As set forth in the Commission’s *Order*, any other party in this proceeding would be permitted to file a separate report at the same time.

WHEREFORE, Kansas City Power & Light Company respectfully submits its Third Report in this matter, and prays that the Commission grant its request to submit a subsequent report on or before November 19, 2010.

Respectfully submitted,

/s/ James M. Fischer
