MOTION TO PUBLISH RECORDING OF SECOND VIRTUAL WORKSHOP

COMES NOW the Office of the Public Counsel (the “OPC”) and requests that the Public Service Commission of the State of Missouri (the “Commission”) issue an Order publishing on its official website the recording of the Second Virtual Workshop held in this matter on February 25, 2022. In support of its Motion, the OPC states:

On February 25, 2022, the Commission held a Second Virtual Workshop in this matter. During the Second Virtual Workshop, the OPC gave a presentation detailing the history of this working group, discussing the revisions the OPC made to its initial proposed rule, and detailing its plans for the future of its proposed rule. Following the OPC’s presentation, the participants of the Second Virtual Workshop¹ discussed each section of the OPC’s revised proposed rule.

Using the computer software that hosted the Second Virtual Workshop, the OPC recorded the Second Virtual Workshop.² The OPC now requests that the Commission publish on the Commission’s official website the recording of the February 25, 2022 Second Virtual Workshop. If the Commission grants this Motion, the OPC will deliver an electronic version of the recording to the Commission. Further, so that it may be preserved in the record, the OPC has attached as

¹ During the Second Virtual Workshop, representatives appeared from the OPC; the Staff of the Commission (“Staff”); each of the investor-owned electric and gas utilities that the Commission regulates; Missouri-American Water Company, Inc.; Sierra Club; Renew Missouri; the State of Missouri Division of Energy; Consumer Counsel; and the Community Action Agency of St. Louis County, Inc.

² The recording captured both audio and the presentation that the OPC virtually shared during the Second Virtual Workshop.

Appendix A, a .pdf version of the PowerPoint presentation that it shared as a part of its presentation during the Second Virtual Workshop.

The OPC has shared a copy of this motion with Counsel for Staff who represented that Staff does not object to the requested relief.

WHEREFORE, the OPC respectfully requests the Commission grant this Motion and publish the recording of the Second Virtual Workshop on the Commission's official website. The OPC also requests that the Commission grant such other and further relief as it considers just.

Respectfully submitted,
