COMES NOW Missouri Department of Natural Resources (MDNR) and, pursuant to Commission Rule 4 CSR 240-2.075, respectfully requests that the Commission issue its order granting MDNR's Application to Intervene. For its Application, MDNR states as follows:

1. On February 24, 2010, Union Electric Company, d/b/a AmerenUE (Company), submitted to the Commission an application for waivers concerning certain IRP reporting requirements. By order dated March 1, 2010, the Commission issued its Order Providing Notice, Establishing Intervention Deadline and Directing Response. The Division of Energy's review also will be in relation to the mandate set forth in Section 640.150, RSMo. which includes planning for energy resource development; analyzing energy management issues; consulting and cooperating with all state and federal governmental agencies on matters of energy research and development, management, conservation and distribution; assessing the potential impacts on environmental quality; and

analyzing the potential for increased use of energy alternatives and making recommendations for the expanded use of such alternate energy sources and technologies.

WHEREFORE, the Missouri Department of Natural Resources respectfully requests that it be allowed to intervene in the above-styled matter.

Respectfully submitted,
