**MOTION TO REVISE PROCEDURAL SCHEDULE AND  
MOTION FOR EXPEDITED TREATMENT**

In accordance with, 4 CSR 240-2.080, and for good cause shown, Union Electric Company d/b/a Ameren Missouri (“Ameren Missouri” or “the Company”), moves the Commission for an order revising the procedural schedule in this case. More specifically, Ameren Missouri requests that the evidentiary hearing be rescheduled from January 6-7, 2015, to February 9-10, 2015. The request is made because one of Ameren Missouri’s counsel underwent an emergency medical procedure last week, and the additional time is needed to ensure that counsel is fully recovered prior to the hearing.

The Company has conferred with counsel for all active parties to this case – the Commission Staff, the Office of the Public Counsel, and the Division of Energy – and counsel for each of those parties has stated their respective clients do not object to the rescheduled hearing dates requested in this motion. If the Commission grants this motion, Ameren Missouri will confer with the other active parties and propose a revised briefing schedule to follow the evidentiary hearing.

Ameren Missouri also requests expedited consideration of this motion. As noted, the Procedural Order currently provides for evidentiary hearings in this case to commence January 6, 2015, just five days after the date of this motion. Under 4 CSR 240-2.080(13), parties normally have ten days to respond to a motion such as this, and the Commission would issue a decision sometime thereafter. But allowing ten days for response and decision would render moot the relief this motion seeks. For that reason alone, good cause exists for the Commission to grant expedited consideration.

Because, as stated earlier in this motion, no active parties oppose the relief requested, Ameren Missouri does not expect any party will file a response to this request. If any party desires to do so,

however, the Commission should require such filing be made by noon, January 2, 2015. The Company further requests a decision on this motion no later than the end of business that same date. Adherence to Ameren Missouri's proposed schedule for responding to and deciding this motion is necessary to allow all parties to know if they will continue to be required to prepare for hearings commencing January 6, 2015, as the current procedural schedule requires.

WHEREFORE, for the reasons stated above, Ameren Missouri respectfully requests the Commission grant this motion to extend the dates for evidentiary hearings in this case, and to do so on an expedited basis.

Respectfully submitted,

/s/ Matthew Tomc
