MOTION TO FILE SUPPLEMENT  
TO FORMAL COMPLAINT

The Missouri Landowners Alliance (Alliance) hereby asks leave of the Commission to file certain supplemental material to the Formal Complaint which the Alliance filed in this case on March 11, 2014.

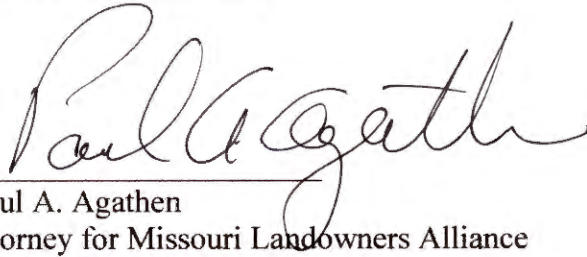

The supplemental material being submitted with this Motion addresses four documents published after the Formal Complaint was filed by the Alliance.

The supplemental material is similar in nature to material filed by the Alliance in the original Complaint, and is supportive of the same general arguments raised in that Complaint by the Alliance. Accordingly, the supplemental material does not raise any new issues or new arguments, but simply adds to them with material not available when the original Complaint was filed.

Rather than file a second Formal Complaint based on this supplemental material, the Alliance respectfully asks that it be permitted to file the material as a supplement to the original Complaint.

For the foregoing reasons, the Alliance respectfully asks that it be permitted to file the material accompanying this Motion as a supplement to the Formal Complaint filed by the Alliance on March 11, 2014.

Respectfully submitted,
