BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the matter of the application of Maxcess, Inc. for a certificate of service authority to provide Basic Local Telecommunications Services in Portions of the State of Missouri and to Classify Such Services and the Company as Competitive

Case No. TA-2000-570

AMENDED APPLICATION

Maxcess, Inc. ("Applicant" or "Maxcess"), a Florida corporation, files this amended application respectfully requesting that the Missouri Public Service Commission ("Commission") issue an order that:

- (a) grants Applicant a Certificate of Service Authority to provide resold and facilities-based Basic Local Telecommunications Services in Portions of the State of Missouri pursuant to Sections 392.455 and 392.420 - .44055 of the Revised Statutes of Missouri (RSMo) 1994 and Sections 392.410 and .450, RSMo Supp. 1996.
(b) grants competitive status to Applicant pursuant to Section 392.361 RSMo Supp 1996., and classifies the Applicant's services as competitive
(c) waives certain Commission rules and statutory provisions pursuant to Section 392.420, RSMo Cummm. Supp. 1996.

H

In support of its request, Applicant states:

1. On March 14, 2000, Applicant filed its application in the above-referenced case.

2. Applicant hereby amends its application as follows:

A. Attached hereto is Exhibit IV to the application, a copy of the exchanges areas in which Applicant proposes to provide service.

B. Applicant hereby replaces Section 10. of the application in its entirety with the following.

10. Maxcess submits the following arguments to demonstrate that the public interest will be served by the approval of this Application:

The grant of a certificate to provide resold and facilities-based competitive basic local exchange telecommunications services to the Applicant will serve the public interest. The Applicant's presence in the market will expand customer choice for telecommunications service. The increased competition brought by the Applicant to the market will have the effect of improving the quality of telecommunications services in Missouri and decreasing the cost of such services through increased innovation and efficiency. The result will be beneficial to economic development in Missouri. The granting of a certificate to the Applicant will contribute to the availability of reasonably affordable local exchange services in the State of Missouri.

Applicant will give consideration to equitable access for all Missourians, regardless of where they live or their income, to Affordable telecommunications services in the area where the applicant is proposing to serve.

WHEREFORE, Applicant, Maxcess, Inc., respectfully requests that the Missouri Public Service Commission grant it a certificate of service authority to provide resold and facilities-based Basic Local Exchange Telecommunications Services within portions of the State of Missouri. Applicant also requests classification as a competitive telecommunications company and requests that its services be classified as competitive. In addition, Applicant requests a waiver of the above-referenced rules and statutory provisions and a temporary waiver of the tariff filing requirement.

Respectfully submitted,
