SMALL COMPANY RATE INCREASE REQUEST**

**COMES NOW** the Staff of the Missouri Public Service Commission ("Staff"), by and through counsel, and for its *Notice of Unanimous Disposition Agreement Regarding Small Company Rate Increase Request* ("Agreement Notice") states as follows:

1. On September 19, 2012, the Missouri Public Service Commission ("Commission") received a Rate Increase Request Letter ("Rate Request") from Seges Partners Mobile Home Park, L.L.C. ("Seges" or "Company").

2. In its Rate Request, Seges sought Commission approval of an increase of \$3,326.40 in its annual sewer system operating revenues pursuant to Commission Rule 4 CSR 240-3.050.

3. Upon completion of its investigation of the Company's request, Staff provided Seges and the Office of the Public Counsel ("Public Counsel") with materials related to Staff's investigation, as well as Staff's initial recommendations for the resolution of the revenue increase request.

4. Pursuant to negotiations held subsequent to the Company's and Public Counsel's receipt of the above-referenced information regarding Staff's investigation of the Company's Request, Staff, Public Counsel and Seges were able to reach an agreement ("Unanimous Disposition Agreement") regarding a resolution of the

Company's request. This agreement provides for an overall agreed-upon operating revenue increase of \$3,534. The agreement, among other things, also prescribes a schedule of depreciation rates and requires the Company to implement certain agreed-upon Staff recommendations.

5. Included in Appendix A, attached and incorporated by reference herein, is a copy of the above-referenced Unanimous Disposition Agreement, as well as various attachments related to the Unanimous Disposition Agreement. Additionally, Appendix A contains affidavits from Staff members that participated in the investigation of the Company's request.

6. Pursuant to Commission Rule 4 CSR 240-3.050, governing disposition agreements executed between Staff and small utility companies utilizing the small utility rate case procedure, Seges will file tariff sheets seeking to implement the terms of the Unanimous Disposition Agreement. The tariff sheets will be filed February 21, 2013, and will bear an effective date of April 8, 2013, which, as required by Commission Rule 4 CSR 240-3.050(14), is not fewer than thirty (30) days after the tariffs are filed.

7. Seges is current in its payment of Commission assessments and on its filings of annual reports and statements of revenue.

**WHEREFORE**, Staff respectfully submits this *Agreement Notice* and the attached Appendix A for the Commission's information and consideration in this case and requests that the Commission enter an Order adopting the terms agreed upon by Staff, Public Counsel and the Company.

Respectfully submitted,
