

In the Matter of the Verified Application and)
Petition of Laclede Gas Company to Change its) Case No. GO-2009-0221
Infrastructure System Replacement Surcharge)

COMES NOW Laclede Gas Company (“Laclede” or "Company") and for this Notice Regarding Modification to Motion for Expedited Treatment, states as follows:

2. On January 21, 2009, Laclede filed its Response to the Staff Recommendation and Motion for Expedited Treatment, seeking to obtain approval, effective February 4, 2009, of a compliance tariff that was filed on the same day to reflect the level of ISRS costs recommended by the Staff.

4. Since all of the parties to this case have either concurred in, or expressed no opposition to, Laclede's January 21, 2009 ISRS tariff filing, Laclede renews its request that the Commission approve the tariff as soon as reasonably possible. Because the Commission's next scheduled agenda meeting is not until February 4, 2009, however, Laclede recognizes that it will not be possible to make the tariff filing effective on the date originally requested by Laclede. Accordingly, Laclede wishes to notify the Commission that it is modifying its requested effective date for the compliance tariff filing to February 6, 2009.

5. Laclede has circulated this Notice to counsel for Staff and OPC and both parties have indicated that they do not oppose the Company's requested effective date, as modified herein.

WHEREFORE, for the foregoing reasons, Laclede respectfully requests that the Commission approve the Company's compliance tariff filing effective February 6, 2009.

Respectfully submitted,
